Indiana Professional Educators, Inc.

" Educators by Calling, Professionals By Choice"

For a typical Indiana teacher, $800 or more a year is being deducted from paychecks for union dues, fees and political activities. The vast majority of this money is actually sent to state and federal labor unions, not your local association.

You have a choice. Join an alternative association - dedicated to promoting the profession, improving the education of children and protecting the rights of independent teachers.

IPE Student Teachers dues are only $25.00/year
IPE dues are directly related to insurance and program costs and not making payments **to national labor unions or political campaigns.**

Indiana Professional Educators, Inc. (IPE), founded in 1976, is a voluntary membership association of independent public school teachers from across the state. IPE is committed to the principle that public school teachers are professionals and should have the right to choose their professional affiliations.

IPE membership includes:
- ► **$1 Million Professional Liability Insurance**
- ► Legal assistance and insurance coverage;
- ► Legislative monitoring and member activities;
- ► *The Professional Viewpoint* newsletter and more!
